Okay, thanks. This paper submitting will be in addition to an electronic version, correct?

Thanks Ken. For the RIR please label it as "CORRECTED Final" Version and the FS can be labeled as "Final"

Thanks!

Okay—let us see where to make the edits and then provide you those pages for review... we will then issue new RIR. Let us know how you want document on cover page—the "final final" version.

Also the upcoming FS report—should that be labeled Final vs Draft?

**Subject:** Correction to RI

Hi Ken,

I forgot to mentioned this during our call today regarding the correction needed for the RI. I either need an updated report with the correction (I cant edit the PDF I currently have) or send an editable version of the RI report. I realize it is only a small error but we feel that a full corrected report is needed to avoid confusion since not everyone may notice an addendum with the correction at the end of the document. Sorry for any inconvenience.

Thanks,

Josh
